You may also complete the application process through your personal myCalPERS account at [my.calpers.ca.gov](http://my.calpers.ca.gov). Easy-to-follow instructions will guide you step-by-step through the online application.

You can submit your paper or online application when you are within 120 days from your retirement date.

For more information about your retirement benefits, visit our website at [www.calpers.ca.gov](http://www.calpers.ca.gov).

## RETIREMENT PLANNING RESOURCES

CalPERS has many resources available to help you plan for retirement:

- CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov)
- Your personal myCalPERS account at [my.calpers.ca.gov](http://my.calpers.ca.gov)
- Online and instructor-led retirement classes
- Webinars and YouTube videos
- Member publications
- One-on-one retirement counseling
- Official retirement estimates

Our publication *Planning Your Service Retirement* (PUB 1) contains detailed information about how we calculate your benefit, ways to increase your benefit, and other factors you'll want to consider before you retire. You can find this publication and others in the **Forms & Publications** area of our website at [www.calpers.ca.gov](http://www.calpers.ca.gov).

If you haven't already received a retirement estimate, we strongly encourage you get one before you retire. If you're within 12 months of your retirement date, you can request a CalPERS Estimate Letter through your personal myCalPERS account at [my.calpers.ca.gov](http://my.calpers.ca.gov) or complete and mail the *Retirement Allowance Estimate Request* form located in this publication.

You can also generate and save estimates through your myCalPERS account. This calculator allows you to enter a variety of beneficiary and survivor scenarios and uses your actual account information to project your future benefit.

Each year you can check your latest Annual Member Statement to ensure we have the correct employment history for you. Your statements are available at [my.calpers.ca.gov](http://my.calpers.ca.gov).

## KEY POINTS TO CONSIDER BEFORE YOU RETIRE

- If you're eligible to receive Social Security benefits and worked for an employer that didn't withhold Social Security taxes, the Windfall Elimination Provision and Government Pension Offset can reduce your Social Security benefits. To learn more about these offsets please call the Social Security Administration at (800) 772-1213 or visit their website at [www.ssa.gov](http://www.ssa.gov).
- You must stop working in all CalPERS-covered employment before your retirement date, including all full-time and part-time positions and any elected or appointed offices for which you have CalPERS membership. Tell your CalPERS employer(s) of your planned retirement date so they can submit permanent separation information on your behalf. If they don't tell us you stopped working, you may be considered unlawfully employed and you may have to repay any overpaid retirement benefits.
- You must submit your retirement application within nine months of leaving CalPERS employment or separating from another California public retirement system to be eligible for the earliest possible retirement date. If not, your retirement date can be no earlier than the first of the month in which CalPERS receives your application.
- If you plan to purchase service credit, you will need to log in to your myCalPERS account to get an estimate, submit a costing request, and make the election. Also, you must pay your service credit purchase in full before your planned retirement date. If the balance is not paid in full prior to retirement, your retirement allowance will be reduced by the actuarial equivalent of the balance. To learn more, refer to *A Guide to Your CalPERS Service Credit Purchase Options* (PUB 12) and *A Guide to Your CalPERS Military Service Credit Options* (PUB 15).
- Completing separation or retirement forms with your employer does not retire you from CalPERS. Your CalPERS retirement account is separate and you must submit a *Service Retirement Election Application* to complete the retirement process.
- If your employer contracts for retiree health benefits, your retirement date must be within 120 days of leaving employment to be eligible to receive retiree health benefits.
- You cannot make changes to your retirement application more than 30 days after your first retirement check is issued. This includes canceling your retirement application, changing your retirement date, changing the retirement payment option you select, or changing the beneficiary (or beneficiaries) you name to receive an ongoing monthly benefit, if any.

## OTHER CONSIDERATIONS

### If You Become Disabled

If you are disabled and can no longer perform the duties of your job, you may qualify for disability retirement or industrial disability retirement. Learn about the eligibility requirements in our publication *A Guide to Completing Your Disability Retirement Election Application* (PUB 35).

### Power of Attorney

A CalPERS special power of attorney allows you to designate a representative or agent, known as your attorney-in-fact, to conduct your retirement affairs. Should you become unable to act on your own behalf, your designated attorney-in-fact will be able to perform important duties concerning your CalPERS business, such as address changes, federal or state tax withholding elections, and retirement benefit elections.

The CalPERS special power of attorney is specifically designed for use by active and retired CalPERS members and beneficiaries. You may already have a power of attorney set up through another resource; however, it may not address your CalPERS retirement benefits. For more information, review the publication *A Guide to the CalPERS Special Power of Attorney* (PUB 30).

### Emergency Retirement

If you are terminally ill, facing imminent death, or about to have surgery, please call us toll free at **888 CalPERS** (or **888-225-7377**) to discuss what options are available to you.

### Divorce, Legal Separation, or Termination of Domestic Partnership

If you have a community property claim on your retirement account, a hold is placed on your account and benefits are held until the claim is resolved. We recommend that you resolve the claim before you retire to avoid possible delays in processing your retirement benefits. **However, you should not wait to submit your retirement application. Waiting to apply for retirement may affect the retirement date and other benefits you are entitled to receive.** For more information, review the publication *A Guide to CalPERS Community Property* (PUB 38A).

If you are not sure whether your claim has been resolved or have questions about your court order or your benefits, please call us toll free at **888 CalPERS** (or **888-225-7377**).

## Working After You Retire

There are rules and restrictions related to working after retirement. Before accepting any position, read the publications *A Guide to CalPERS Employment After Retirement* (PUB 33) and *A Guide to CalPERS Reinstatement From Retirement* (PUB 37) regarding the requirements and limitations.

## Benefit Forfeiture for Felony Convictions

Under the California Public Employees' Pension Reform Act of 2013, if you are convicted of a felony by a state or federal trial court in connection with your official job duties, you will forfeit all of your accrued rights and benefits from the commission of the felony forward and you will no longer be eligible to accrue further benefits with CalPERS, effective on the date of conviction (Government Code sections 7522.72 and 7522.74).

If you are convicted for such a crime, you and the prosecuting agency must notify your employer within 60 days of your conviction, and your employer must notify CalPERS within 90 days of your conviction.

CalPERS will remove the service credit and return any contributions you made during the forfeiture period, without interest. If after the removal of forfeited service and contributions you remain vested for retirement, you may apply for retirement once you reach minimum retirement age. If after the removal of forfeited service you are not vested for retirement, you may elect a refund of your remaining member contributions.

Should your conviction be overturned, your forfeited service will be restored to your account if you elect to redeposit the returned contributions, with interest.

## HOW TO COMPLETE YOUR SERVICE RETIREMENT ELECTION APPLICATION

Remove the *Service Retirement Election Application* form from this publication so you can follow the step-by-step instructions for each section while you are completing it. You can also log in to your myCalPERS account at [my.calpers.ca.gov](http://my.calpers.ca.gov) to submit your application online.

### Section 1 – Information About You

Complete all fields with your personal information.

If you have changed your name, you must provide CalPERS with a photocopy of the document validating the change (marriage certificate, court order, etc.). Additionally, the IRS requires us to obtain a photocopy of your updated Social Security card containing your new name before we can stop using your former name.

By providing your email address, you are agreeing to receive occasional CalPERS email notifications.

### Section 2 – Information About Your Retirement

Complete all fields with your retirement information.

Your retirement date can be effective any day of the week, including Saturday or Sunday. It should be the day following your last day of work or authorized paid leave of absence.

The effective date of your retirement can be no earlier than the day following your last day on payroll, as long as your application is **received by CalPERS within nine months** of that date. If not, the retirement date can be no earlier than the first of the month in which CalPERS receives your application. If you elected to purchase service credit, your retirement date can be no earlier than the day following your service credit purchase election.

If you are employed in more than one position under CalPERS, even if the other position is considered overtime and not reportable to CalPERS, you must separate from all employment to retire.

### *Temporary Annuity*

If you elect to receive the **temporary annuity** benefit, complete all fields based on your membership date.

- If your membership date is **prior to January 1, 2002**, enter the age at which you want the temporary annuity benefit to stop—age 59½ or any whole age from 60 to 68. The temporary annuity amount you request is not dependent on your estimated Social Security benefit.
- If your membership date is **January 1, 2002, or later**, enter the age at which you want the temporary annuity benefit to stop—whole age from 62 to 70. You must have CalPERS service coordinated with Social Security to be eligible, and the amount you request cannot exceed your estimated Social Security benefit. Request an estimate of your Social Security benefits from the Social Security Administration before you make this choice on your CalPERS retirement application.

You must name a beneficiary for the temporary annuity balance in Section 4c of the application. You can also request an estimate for temporary annuity by using the *Retirement Allowance Estimate Request* form in this publication. For more information, refer to *A Guide to Your CalPERS Temporary Annuity* (PUB 13).

### *Other California Public Retirement Systems*

If you are a member of a defined benefit plan with another California public retirement system:

- Your CalPERS retirement date must be the same as the retirement date from the other system to receive the highest possible benefit amount.
- You must submit a retirement application to each system.
- You must submit your retirement application within nine months of leaving CalPERS employment or separating from another California public retirement system. Otherwise, the retirement date can be no earlier than the first of the month in which CalPERS receives your application.

For more information, refer to *A Guide to CalPERS When You Change Retirement Systems* (PUB 16).

The **temporary annuity** benefit is additional monthly income you may choose to enhance your pension from CalPERS. This benefit is funded through a **lifetime reduction** of your monthly retirement allowance.

### Section 3 – Select Your Retirement Payment Option

Choose one retirement payment option. Your choice becomes irrevocable 30 days from the issuance of your first retirement check. See below for a description of the available options.

\* It takes about 10 years of retirement to totally deplete your contributions, but your monthly benefit continues.

#### Section 4a – Complete Your Beneficiary Information – Ongoing Monthly Benefit

Complete all fields. The beneficiary you name to receive an ongoing monthly benefit becomes irrevocable 30 days from the date your first retirement check is issued unless you have a future qualifying event.

For more information about qualifying life events, refer to our publication *Changing Your Beneficiary or Monthly Benefit After Retirement* (PUB 98).

You must submit birth date evidence for your named beneficiary. If your beneficiary is your spouse and there is a Survivor Continuance benefit, you must also submit evidence of marriage. For a list of acceptable documents, refer to “Supporting Documents” on page 20.

#### Section 4b – Complete Your Beneficiary Information – Specific Percentage or Specific Dollar Amount

Complete all fields for each beneficiary you name. Any beneficiary you name in this section becomes irrevocable 30 days from the date your first retirement check is issued unless you have a future qualifying event.

For more information about qualifying life events, refer to our publication *Changing Your Beneficiary or Monthly Benefit After Retirement* (PUB 98).

Specify either a specific percentage or dollar amount, or leave the fields blank if you are naming more than one beneficiary and want your beneficiaries to receive equal shares.

You must submit birth date evidence for your named beneficiaries. If your beneficiary is your spouse and there is a Survivor Continuance benefit, you must also submit evidence of marriage. For a list of acceptable documents, refer to “Supporting Documents” on page 20.

#### Section 4c – Complete Your Beneficiary Information – Return of Remaining Contributions

Complete all fields for each beneficiary you name. You can change this beneficiary designation at any time.

Provide the name, Social Security number or CalPERS ID, birth date, relationship to you, priority (**primary** or **secondary**), and address of the beneficiary you designate to receive any lump-sum balance of your remaining member contributions or the balance of your temporary annuity benefit after your death.

You can name **primary** and **secondary** beneficiaries. The benefit is paid to your primary beneficiary (or beneficiaries) first. If the primary beneficiary dies, the benefit will go to your secondary beneficiary. We pay equal shares unless you enter a percentage for each beneficiary. If you enter a percentage, the total must equal 100 percent.

Your beneficiary can be:

- Any person regardless of their relationship to you. You cannot designate a guardian to receive benefits for another person.
- A class of next-of-kin as a group. For example, you can list your “grandchildren” or “siblings” instead of writing out individual names.
- A corporation that is registered in any state with the Secretary of State.
- Your estate. CalPERS can only pay to your estate if it is probated.
- Your trust. Provide the title and date of your trust, and the name and address of the person who has a copy of the document. Do not name the trustee.

If you want to name more than four beneficiaries or you want to name separate beneficiaries for your Return of Remaining Contributions and temporary annuity balance, call us toll free at **888 CalPERS** (or **888-225-7377**). There is no limit to the number of beneficiaries you can name. You can also change your lump-sum beneficiary designation any time at [my.calpers.ca.gov](http://my.calpers.ca.gov).

A change in your marital status, domestic partner status, or the birth or adoption of a child after retirement automatically revokes your original beneficiary designation.

**Note:** If you designate a minor child as your beneficiary and the child is still a minor when the benefit becomes payable, their surviving parent can claim the child’s death benefit without a court order if the child is in their care. Or, if the child is not in the custody of their parent we will request a court order that either appoints someone as guardian of the child’s estate or directs us to pay the child’s benefit to a blocked bank account. As an alternative to these methods, you may download a *California Uniform Transfers to Minors Act* form that you can complete now to nominate a custodian to claim any benefits that may become payable to your minor child. Please do not name the guardian or custodian of a minor child as your beneficiary; just name the child if that is your desire.

### Section 5 – Retired Death Benefit – Beneficiary Designation

The lump-sum Retired Death Benefit is payable upon your death, in addition to any payment under the option you select. You can select anyone you wish to receive this benefit. The amount payable is based on your employer’s contract with CalPERS.

- For state, California State University, or University of California members, the Retired Death Benefit is \$2,000.
- For school members, it is \$2,000, unless your employer has elected a higher amount up to \$5,000.
- For public agency members, the Retired Death Benefit is based on the employer’s contract, and it can range from \$500 to \$5,000.

If you last worked with another California retirement system that provides a similar death benefit, the CalPERS Retired Death Benefit is not paid.

If you want to name more than four beneficiaries for the Retired Death Benefit call us toll free at **888 CalPERS** (or **888-225-7377**). There is no limit to the number of beneficiaries you can name. You can also change your lump-sum beneficiary designation any time at [my.calpers.ca.gov](http://my.calpers.ca.gov).

A change in your marital status, domestic partner status, or the birth or adoption of a child after retirement automatically revokes your original beneficiary designation.

## Section 6 – Survivor Continuance Information

The Survivor Continuance benefit is payable to all state, school, and public agency members if the former employer has contracted to provide it and you have an eligible survivor. Survivor Continuance is an employer-paid monthly benefit paid to an eligible survivor.

If you are not sure if you are covered by this benefit, check with your personnel office. Benefits are paid to an eligible survivor in addition to and regardless of which retirement payment option you elect.

Eligible survivors are:

- A spouse who was married to you at least one year prior to your retirement and continuously until your death; or if none,
- A domestic partner in a legally state-recognized partnership that was entered into at least one year prior to your retirement and continuously until your death; or if none,
- Unmarried children under age 18 or an unmarried disabled child who became disabled prior to age 18 and whose continuing disability renders the child incapable of gainful employment; or if none,
- An economically dependent parent.

**Note:** If you have a severely disabled minor or adult child who is not capable of handling their own financial affairs, you may wish to talk with an attorney about creating a special needs trust so the successor trustee can claim the child's survivor allowance without having to obtain a court order for conservatorship or guardianship of the disabled child. The special needs trust must be established for the sole benefit of the disabled child during the child's lifetime and there cannot be a provision that allows for assignment of the child's benefit to someone else.

A copy of the special needs trust should be sent to CalPERS to ensure it can be honored and then retained in your file for future use. Payments to children stop at age 18, or upon their marriage, death, or recovery from disability.

The amount of the monthly benefit depends on your Social Security coverage. If your service credit **is not covered** by Social Security, the Survivor Continuance is 50 percent of your Unmodified Allowance, based on actual service with an employer that provides this benefit. If your service credit **is covered** by Social Security, the Survivor Continuance is 25 percent of the Unmodified Allowance.

## Section 7 – Tax Withholding Election

This section tells CalPERS how you want your tax withholding handled. To assist you in making this decision, see the “Taxes and Your Service Retirement” section in this publication or talk with your tax advisor. You can change your withholding at [my.calpers.ca.gov](http://my.calpers.ca.gov) or by completing another CalPERS *Tax Withholding Election* form.

- You can choose only one federal income tax option and one state income tax option.
- If you do not make an election, or if an invalid election is received, CalPERS is required by law to withhold taxes as if you are married with three allowances. If you reside outside of California, your CalPERS pension income is not subject to California state income tax.

## Section 8 – Direct Deposit Information

Direct deposit electronically transfers your retirement benefit allowance directly into your checking or savings account, avoiding the need for you to sign and deposit your benefit check at your bank. This can reduce the risk of loss, theft, or forgery; give you immediate and uninterrupted deposits; eliminate the inconvenience of checks; and provide you with a monthly statement of itemized deductions.

If you submit direct deposit information with your retirement application, your direct deposit is typically effective with your first retirement payment. We transmit funds for direct deposit on the first of each month. Your financial institution determines when your direct deposit funds are available.

You can establish and maintain your direct deposit online through myCalPERS at [my.calpers.ca.gov](http://my.calpers.ca.gov). Your financial institution must be a member of the Automated Clearinghouse Association to accept a direct deposit from CalPERS.

## Section 9 – CalPERS Health Coverage

This section tells CalPERS whether you choose to continue CalPERS health coverage into retirement. Refer to the CalPERS *Health Program Guide* for Basic health plan eligibility, enrollment, and choices.

**If you decline health coverage into retirement, you are electing to terminate your health coverage effective on the first day of the second month following your separation from employment.**

If eligible, you may enroll in a CalPERS health plan in the future, such as during an Open Enrollment period or if you meet special enrollment or late enrollment exceptions described in the CalPERS *Health Program Guide*.

If you are eligible for Medicare, specific rules apply for you to continue your CalPERS health enrollment. Refer to the CalPERS *Medicare Enrollment Guide* for additional information.

## Section 10 – Spousal Consent to Beneficiary Designation

You must review and sign this acknowledgment if you are married or in a registered domestic partnership and you name someone other than your spouse or domestic partner as a beneficiary to receive an ongoing monthly benefit or lump-sum benefits that may be payable upon your death. Your signature must be notarized by a notary public or witnessed by a CalPERS representative.

If your spouse or registered domestic partner consents to your beneficiary designation, his or her signature must also be notarized by a notary public or witnessed by a CalPERS representative.

## Section 11 – Signatures and Notary or Witness Acknowledgment

**This section must be completed or your application will be returned.**

Your signature and your spouse's or registered domestic partner's signature must be notarized by a notary public or witnessed by a CalPERS representative at any CalPERS Regional Office. If you reside in a foreign country, staff at the U.S. Consulate may witness your form.

If you are married or in a legally recognized domestic partnership, your current spouse or domestic partner must sign the application to acknowledge your election of retirement benefit option unless:

- You have elected 100 Percent Beneficiary Option 2 or 100 Percent Beneficiary Option 2 with Benefit Allowance Increase as your retirement payment option, **and**
- You have designated your spouse or registered domestic partner as the beneficiary, **and**
- You have designated him or her as the sole primary beneficiary of any lump-sum benefits.

Otherwise, you must complete the *Justification for Absence of Spouse's or Registered Domestic Partner's Signature* form and submit it to CalPERS before any retirement benefits can be paid.

If you are single, the justification form is not required. Mark "No" and indicate "Never Married or in Domestic Partnership," "Divorced, Annulled, or Domestic Partnership Terminated," or "Widowed" in this section.

## What Happens Next?

After you submit your *Service Retirement Election Application*, CalPERS will take the steps necessary for you to retire on the day you have selected. Once your application is received at our Sacramento Headquarters office, you will receive an acknowledgment letter letting you know we have begun processing your request, usually within five to 10 days of receipt of your application. CalPERS will notify you if we have questions or need more information.

### **Notification of Retirement Allowance**

Before you receive your first retirement benefit check, usually after you have separated from employment, CalPERS will send you a letter providing you with the date of your first retirement check, the amount you can expect to receive, and important income tax information. We also include the employer, retirement formula, service credit, and final compensation information used to calculate your retirement benefit. Please review this information for accuracy and report any discrepancies to us immediately. You may be responsible for repaying any overpaid benefits retroactive to your retirement date that result from incorrect information being used in your benefit calculation.

### **Retirement Payment Schedule**

We pay in arrears and your first retirement check is typically paid within 45 days of your retirement date, or within 45 days of when you submit your application. This means if your retirement date is June 15, your first retirement check will be paid around August, which includes pay for the two weeks in June and the entire month of July. After that, we pay on the first of every month so your first full retirement check is paid on September 1.

### **Canceling or Making Changes to Your Retirement Application**

By law, you have 30 days from the issuance of your first retirement benefit check to:

- Change your retirement payment option
- Change your lifetime beneficiary
- Change your retirement date
- Cancel your retirement

### **Adjustments to Your Retirement Benefit**

Your retirement benefit is calculated using the payroll and service on your account as of your retirement date. It is normal for additional payroll, including sick leave, to come in after we've processed your initial benefit. This means your First Payment Acknowledgment letter, Account Detail sheet, and monthly benefit may be lower than what you were expecting until final payroll shows on your account. Adjustments to your retirement benefit take up to four months to process and are retroactive to your retirement date.

**Employer Certification**

If you are currently employed by a CalPERS-covered agency, your employer must certify your separation information by submitting it and any updates online using myCalPERS. Separation information includes your permanent separation date and any unused sick leave or education leave balances, which may convert to additional service credit depending on your employer's contract with CalPERS. If your employer submits the information prior to CalPERS processing your retirement application, we will include the additional service credit in your initial retirement benefit. Otherwise, we will adjust your account to reflect a change in service credit at the time your employer submits it.

If you left employment at a CalPERS-covered agency more than four months before your retirement date, you are not entitled to service credit for any balance of unused sick leave or educational leave.

**Authorized Deduction Payments**

Many types of payments can be deducted from your monthly retirement check, such as credit union shares or payments, retiree association fees, charitable contributions, etc. To make sure all your current deductions continue after you retire or add new deductions, you must contact the provider and complete their authorization request. The provider will then submit the request to CalPERS for processing.

**Send Photocopies,  
Not Original  
Documents**

CalPERS cannot return original documents. Documents submitted are eventually destroyed. Please send photocopies of documents only. You may upload documents through your myCalPERS account when you apply for retirement online.

### Your Retirement Information

**Retirement Date** - Your retirement date can be no earlier than your last day on payroll. If it has been more than nine months since you left employment, the date you enter cannot be earlier than the first day of the month you submit this form.

**Unused Sick Leave/Educational Leave** - Your last employer must contract to provide this benefit, and you must retire within 120 days of leaving employment for any unused sick and/or educational leave to be included in your actual retirement benefit.

**What is a survivor?** - A survivor receives a monthly benefit regardless of the retirement payment you choose. We only include this in your retirement estimate if your employer contracts to provide this benefit. A survivor is defined by law as:

(For disability or industrial disability retirement, these conditions must be met on or before the effective date of your disability or industrial disability retirement.)

**Retirement Options** - When you retire, you will choose one of the following retirement options and name a beneficiary.

- **Unmodified Allowance** - Provides the highest monthly allowance paid for life. There is no continuing monthly benefit to a beneficiary and no return of unused member contributions upon your death.
- **Return of Remaining Contributions Option 1** - Provides a lump-sum payout of any remaining member contributions in your account to one or more beneficiaries upon your death.
- **100 Percent Beneficiary Option 2** - Provides 100 percent of the option portion of your ongoing monthly benefit to your named beneficiary upon your death. Upon both your deaths a lump-sum payout of any remaining member contributions in your account will be paid to one or more named secondary beneficiaries.
- **100 Percent Beneficiary Option 2 with Benefit Allowance Increase** - Provides 100 percent of the option portion of your monthly benefit to your named beneficiary upon your death. If your beneficiary dies before you, or if you have another qualifying event, your benefit will increase to the Unmodified Allowance.
- **50 Percent Beneficiary Option 3** - Provides 50 percent of the option portion of your ongoing monthly benefit to your named beneficiary upon your death. Upon both your deaths, a lump-sum payout of any remaining member contributions in your account will be paid to one or more named secondary beneficiaries.

#### Your Separation Date and Your Retirement Date

As retirement approaches, two dates are particularly important: your separation date (last day of employment) and your retirement date. If you are not sure when these dates occur, talk to your employer. Below are your health plan enrollment options when you retire.

**If your separation date and your retirement date are within 30 days of each other and you are enrolled in a CalPERS health plan at the time of retirement**, your coverage will continue into retirement without a break. If you do not want your health benefits to continue into retirement, you have the option to cancel your coverage by:

- Submitting a *Health Benefits Plan Enrollment* form to your employer (if you are still employed),
- Declining health coverage in the CalPERS *Service Retirement Election Application*, or
- Writing or calling CalPERS to request to cancel health coverage (if you are already retired).

#### **Important!**

If you are currently a member of the CalPERS Health Program, you must meet specific requirements to continue your health insurance coverage into retirement or to maintain the right to re-enroll in the future after retirement.

Once you retire, CalPERS becomes your health benefits officer. This means you can make most changes to your health enrollment by calling CalPERS at **888 CalPERS** (or **888-225-7377**) or log in to your personal myCalPERS account at [my.calpers.ca.gov](http://my.calpers.ca.gov).

**If your separation date and your retirement date are between 31 and 120 days of each other, and you are enrolled in a CalPERS health plan at separation,** your coverage will not automatically continue. You may re-enroll by:

- Writing to CalPERS within 60 days of your retirement date and requesting re-enrollment, or
- Waiting for the next Open Enrollment period.

You can pay monthly premiums directly to your health plan when you are not on a regular pay status. And you can avoid having your coverage suspended between your last day of work and your retirement date by paying the full monthly premium. Contact the health benefits officer where you worked and complete a *Direct Payment Authorization* form within 30 days of your last day on pay status.

**If you are eligible for CalPERS health benefits, but are not enrolled in a health plan at retirement and your retirement date is within 120 days of separation,** you may enroll within 60 days of retirement or during a future Open Enrollment period. Contact CalPERS for more information and assistance with your enrollment.

**If your retirement effective date is more than 120 days after separation from employment,** you are not eligible for coverage at retirement or at any future date. There are some exceptions to this rule. Contact CalPERS if you have questions about your eligibility.

**If you were covered as a dependent through another health plan when you retired, or you canceled coverage to participate in the state's FlexElect Program,** you may be eligible to enroll in a CalPERS health plan. Contact CalPERS for more information.

**If you have questions about your CalPERS health benefits and you are an active member,** contact your personnel office or health benefits officer. If you are a retiree, contact CalPERS.

## Medicare

Medicare is a federal health insurance program for individuals:

- Age 65 or older
- Under age 65:
  - With certain Social Security-qualified disabilities
  - With End-Stage Renal Disease (ESRD)
  - With Amyotrophic Lateral Sclerosis (ALS, or Lou Gehrig's Disease)

Medicare is regulated by the Centers for Medicare and Medicaid Services (CMS). The Social Security Administration (SSA) works with CMS to determine eligibility and to enroll individuals in Medicare.

Medicare consists of different parts:

- Part A (Hospital Insurance)
- Part B (Medical Insurance)
- Medicare Advantage Plans (Medicare Part C)
- Part D (Prescription Drug Coverage)

If you and/or your dependent are over age 65, retired, and eligible for premium-free Medicare Part A and premium-based Medicare Part B, CalPERS requires you to enroll in both Part A and Part B, and then transfer into a CalPERS Medicare health plan to continue CalPERS health coverage.

If you are not eligible for premium-free Part A through your own work history, you may be eligible for premium-free Medicare Part A through the work history of a spouse who became eligible prior to turning age 65 (eligibility may be determined through a current, former, or deceased spouse). If you do not qualify for premium-free Part A through your or a spouse's work history, you must provide supporting documentation from the SSA that you are not eligible for premium-free Part A to remain enrolled in a CalPERS Basic health plan. If you later qualify for Part A at no cost, you must enroll in Part A and Part B, provide your Medicare information to CalPERS, and then transfer to a CalPERS Medicare health plan.

**Note:** If you do not qualify for premium-free Medicare Part A but qualify for Medicare Part B, you may be able to enroll in the Kaiser Permanente Senior Advantage (KPSA) plan. KPSA is the only Medicare Advantage plan offered by CalPERS in which members without premium-free Medicare Part A but with Medicare Part B are allowed to enroll.

If you are under age 65, Medicare eligible, and have completed your coordination of benefits, you may choose to enroll in a CalPERS Medicare health plan by providing your Medicare information to CalPERS.

Although Part A may be at no cost to qualifying individuals, the SSA establishes a standard Part B premium. The monthly Part B premium must be paid to the SSA to remain enrolled in Part B. If your income exceeds established thresholds, the SSA will increase your Part B premium by an income-related monthly adjustment amount. Payment of the Part B premium is mandatory to protect your eligibility to remain enrolled in a CalPERS Medicare health plan. If you voluntarily terminate your enrollment in Part B, your CalPERS health coverage will be canceled.

CalPERS offers several Medicare health plans. When you retire, become Medicare eligible, and enroll in Medicare Part A and Part B, CalPERS will enroll you in a CalPERS Medicare health plan of your choice that is available

If you become eligible for Medicare due to a disability, special rules apply for you to continue your health benefits. Contact CalPERS for additional information.

to you. If you do not choose a new health plan, CalPERS will automatically transfer you into a CalPERS Medicare health plan. There are three types of Medicare plans available:

- Medicare Advantage Health Maintenance Organization (HMO)
- Medicare Advantage Preferred Provider Organization (PPO)
- PPO Supplement plan

Medicare Advantage plans include Part A, Part B, and Part D. You must remain enrolled in Part A and Part B with the Social Security Administration to continue your enrollment in a Medicare Advantage plan. If you voluntarily terminate your Medicare coverage, you will be disenrolled from the Medicare Advantage plan and canceled from CalPERS health coverage.

CalPERS participates in a Medicare Part D prescription drug plan. If you are a Medicare-eligible subscriber or dependent, you are automatically enrolled into an Employer Group Waiver Plan (EGWP). If you are enrolled in a Preferred Provider Organization (PPO) Supplement to Medicare plan, you may choose to opt out of the Part D prescription drug coverage; however, you will be financially responsible for all of your prescription drug costs. If you enroll in a non-CalPERS Medicare Part D plan, you are no longer eligible to remain enrolled in a CalPERS Medicare health plan. Consequently, you and your covered dependents will be canceled from CalPERS health coverage.

The Medicare Part D premium is paid to your health carrier as part of the CalPERS health premium. As with Medicare Part B, if your income exceeds established thresholds, the SSA will assess an additional income-related monthly adjustment (IRMAA) amount that must be paid to the SSA. Payment of this amount is mandatory to protect your Medicare enrollment and eligibility to remain enrolled in a CalPERS Medicare health plan.

**Note:** To be enrolled in a CalPERS Medicare health plan, you cannot be enrolled in a non-CalPERS Medicare Part D plan. You may only be enrolled in one Medicare Part D plan at a time.

## Dental Coverage and Vesting Requirements (State and CSU Members Only)

State of California and California State University (CSU) employees receiving a retirement allowance from CalPERS who retire within 120 days of separation from employment are eligible for dental benefits.

Continuation of your dental coverage into retirement is not automatic. Your personnel office must complete a new *Dental Plan Enrollment Authorization* form and process your dental enrollment upon your separation from employment. If you are not enrolled at the time of retirement, you can enroll during Open Enrollment. Open Enrollment is held each fall and changes become effective the following January 1.

When you retire, the state may contribute toward the cost of your dental benefits based on the date you were first hired, your bargaining unit at retirement, and your years of service. The date you were first hired means the date you were employed with the State of California for the first time. If that employment did not qualify you for CalPERS membership or you withdrew contributions for that period, it is still considered your first-hired date. If you were first hired by the State of California on or after July 1, 1998, you could be subject to dental vesting requirements. To determine if your bargaining unit has agreed to these requirements, contact the California Department of Human Resources (CalHR). If you were first hired by the CSU system on or after July 1, 2017, you could be subject to dental vesting requirements. To determine if your bargaining unit has agreed to these requirements, contact the CSU Chancellor's Office.

## Vision Care (State and CSU Members Only)

As a State of California or CSU retiree, you are eligible to enroll in the State Retiree Vision Program, which is offered through Vision Service Plan (VSP). This program provides vision coverage for you and your eligible dependents at your cost.

CalHR and the CSU Chancellor's Office coordinate the program through VSP. For more information and to obtain enrollment forms, visit the VSP website at [www.vsp.com](http://www.vsp.com). You may also call VSP directly at (800) 877-7195.

## Long-Term Care

If you are enrolled in CalPERS Long-Term Care and have premiums deducted from your paycheck, you will need to call the program's customer service center toll free at (800) 982-1775 before you retire to find out what steps are needed to continue your premium deductions after retirement.

## TAXES AND YOUR SERVICE RETIREMENT

The following information is designed to help you understand and calculate the tax responsibilities of your CalPERS service retirement allowance.

As a CalPERS retiree, you may still have to pay both federal and state income taxes. Just like in your working years, you must fill out a tax withholding form.

While CalPERS can provide you with information on some tax laws, you should request more information on the taxability of your retirement allowance from the Internal Revenue Service, California Franchise Tax Board, or from your tax advisor.

### 1099-R Annual Tax Reporting Statement

Each January, you will receive a 1099-R form containing information on your CalPERS income from the previous calendar year. Box 1 on the 1099-R form, labeled “Gross Distribution,” contains the total amount of your gross allowance. This is normally the accumulated annual gross amount of the payments you received dated January 1 through December 31. Box 2a, labeled “Taxable Amount,” contains the amount of your gross allowance that is taxable income. This is the amount that you will report as income on your personal income tax return. Box 5, labeled “Employee Contributions or Insurance Premiums,” contains the amount of tax-free contributions you may have, if any.

CalPERS participates in the Combined Federal/State Filing Program. This means the California Franchise Tax Board or your state of residence may access your reported income.

### Calculating the Monthly Tax-Free Portion of Your Retirement Allowance

Federal law requires CalPERS to use certain methods to calculate and report the annual tax-free portion of your retirement allowance. The tax-free portion is determined based on the previously taxed contributions you may have made when you were working. At different times during your work years, some contributions may have been deducted before taxes and some after taxes. The total amount may be found on your First Payment Acknowledgment letter under the heading of “Income Tax Information.”

CalPERS uses the Simplified Method tables in Internal Revenue Service (IRS) Publication 575 to determine the tax-free portion of your allowance. For retirements effective on or after January 1, 1998, use one of the following tables to determine the number of your lifetime payments. Divide the amount of your “Taxed Contributions” by the “Number of Lifetime Payments” to get your monthly tax-free allowance amount.

**Note:** If you were age 75 or over on your retirement effective date, you cannot use these tables. Instead, the IRS requires you to use the “General Rule” to determine your monthly/annual tax-free portion. Information on the “General Rule” can be found in IRS Publication 939, available on the IRS website at [www.irs.gov](http://www.irs.gov) or by calling the IRS at (800) 829-1040.

**Table 1 – Simplified Method, Single Life Annuity**  
*Unmodified Allowance or Return of Remaining Contributions Option 1*

Find your age at retirement and use the corresponding payment numbers.

Age at Retirement	Number of Lifetime Payments
55 or under	360
56-60	310
61-65	260
66-70	210
71-74	160

**Table 2 – Simplified Method, Joint Life Annuity Retirement**  
*Retirement Options That Provide an Ongoing Lifetime Benefit*

Find your and your beneficiary’s combined ages at retirement and use the corresponding payment numbers.

Combined Ages of Annuitants at Retirement*	Number of Lifetime Payments
110 or under	410
111-120	360
121-130	310
131-140	260
141 or over	210

\* If you elected an ongoing lifetime benefit and have more than one beneficiary designated to receive a lifetime benefit, you must use the youngest beneficiary’s age along with your age at retirement to determine the combined ages of annuitants at retirement.

## Federal Tax Considerations

You may be penalized by the IRS if you do not withhold a sufficient amount during the tax year. To avoid any penalties, contact your local IRS office or a tax advisor to ensure you comply with federal tax withholding rules.

For more information about federal taxes, contact your local IRS office or a tax advisor. You can obtain a free copy of *Pension and Annuity Income*, IRS Publication 575, by calling toll free (800) 829-1040 or by visiting their website at [www.irs.gov](http://www.irs.gov).

## California State Taxes

Since federal legislation prohibits states from taxing the pension income of non-residents, if you reside outside the state, California state taxes will not be withheld from your CalPERS benefit without your authorization. While your CalPERS benefit is still a California source income, there is no longer any California source tax for qualified non-residents. If you have questions about your California residency status or your California state taxes, contact the California Franchise Tax Board (or visit their website at [www.ftb.ca.gov](http://www.ftb.ca.gov)) or contact a tax advisor.

## Tax Withholding Election

Unless you submit an election for tax withholding, CalPERS is required to withhold taxes from your monthly allowance based on the tax tables for a married person with three allowances. By law, all CalPERS retirees whose allowances are taxable are required to select one of the three withholding choices:

- To have no taxes withheld;
- To have a specific dollar amount withheld (state withholding only); or
- To have taxes withheld according to the tax tables, based on marital status and number of allowances (you may also add a specific dollar amount to this election).

If you choose one of the tax tables, taxes will not be withheld unless your gross allowance exceeds the minimum amount listed on the tax table for your filing status (i.e., single, married, number of dependents, etc.).
